CEQURA Junior Research Workshop

on

Advances in Financial and Insurance Risk Management

Munich, September 26, 2012

The [Society for Financial and Insurance Econometrics](#) in collaboration with [Bayerisches Finanz Zentrum](#) will host the CEQURA Junior Research Workshop on **Advances in Financial and Insurance Risk Management** in Munich on September 26, 2012.

The workshop is part of the [3rd CEQURA Conference on Advances in Financial and Insurance Risk Management](#). It is especially organized for doctoral and advanced master students and provides a platform for

- junior researchers to present and discuss their research in finance and insurance
- firms active in the areas of risk management to present themselves and to meet with outstanding graduates and doctoral students considering a career in this field

The one-day workshop takes place at the [Seidlvilla](#) in the heart of Schwabing. There is no registration fee for academic participants of the Junior Workshop. But there is also no funding for travel expenses or accommodation.

Detailed information on registration will follow soon. If you are interested in participating please send a short e-mail to riskconference@cequra.lmu.de

We look forward to meeting you in Munich.
